ICN Dosimetry Service
Terms & Conditions

Renewal of Service  Service is automatically renewed, without further notice, for successive like periods unless written notification is received at ICN 35 days before the start of a renewal service period. Cancellation includes the termination of all ancillary services, including on-line services, as of the effective date of cancellation. Cancellation before the end of a minimum order period will be rebilled at short-term rates. All badge holders must be promptly returned to avoid additional charges.

Minimum Invoice: $ 50

Short-Term Charge  Add 20% to unit price per shipments for contracts 2-11 months.

Additions to Existing Account  $2.00 for each new wearer set-up during service period. No charge for deletions.

Control Dosimeter  A control dosimeter is supplied at no charge with each shipment for the purpose of measuring radiation exposure while the dosimeter shipment is in transit and/or storage. The control dosimeter must be returned with dosimeters of the same frequency period.

Holders  All holders remain the property of ICN. Requests for additional holders or holders that must be replaced due to loss or damage will be subject to a replacement fee. In addition, the holders marked with an asterisk (*) are available for purchase and need not be returned.
